

BASING F-35A LIGHTNING II FORMAL TRAINING UNIT AT KINGSLEY FIELD AIR NATIONAL GUARD BASE ENVIRONMENTAL IMPACT STATEMENT

We want to Hear from You

The National Environmental Policy Act (NEPA) requires federal agencies to:

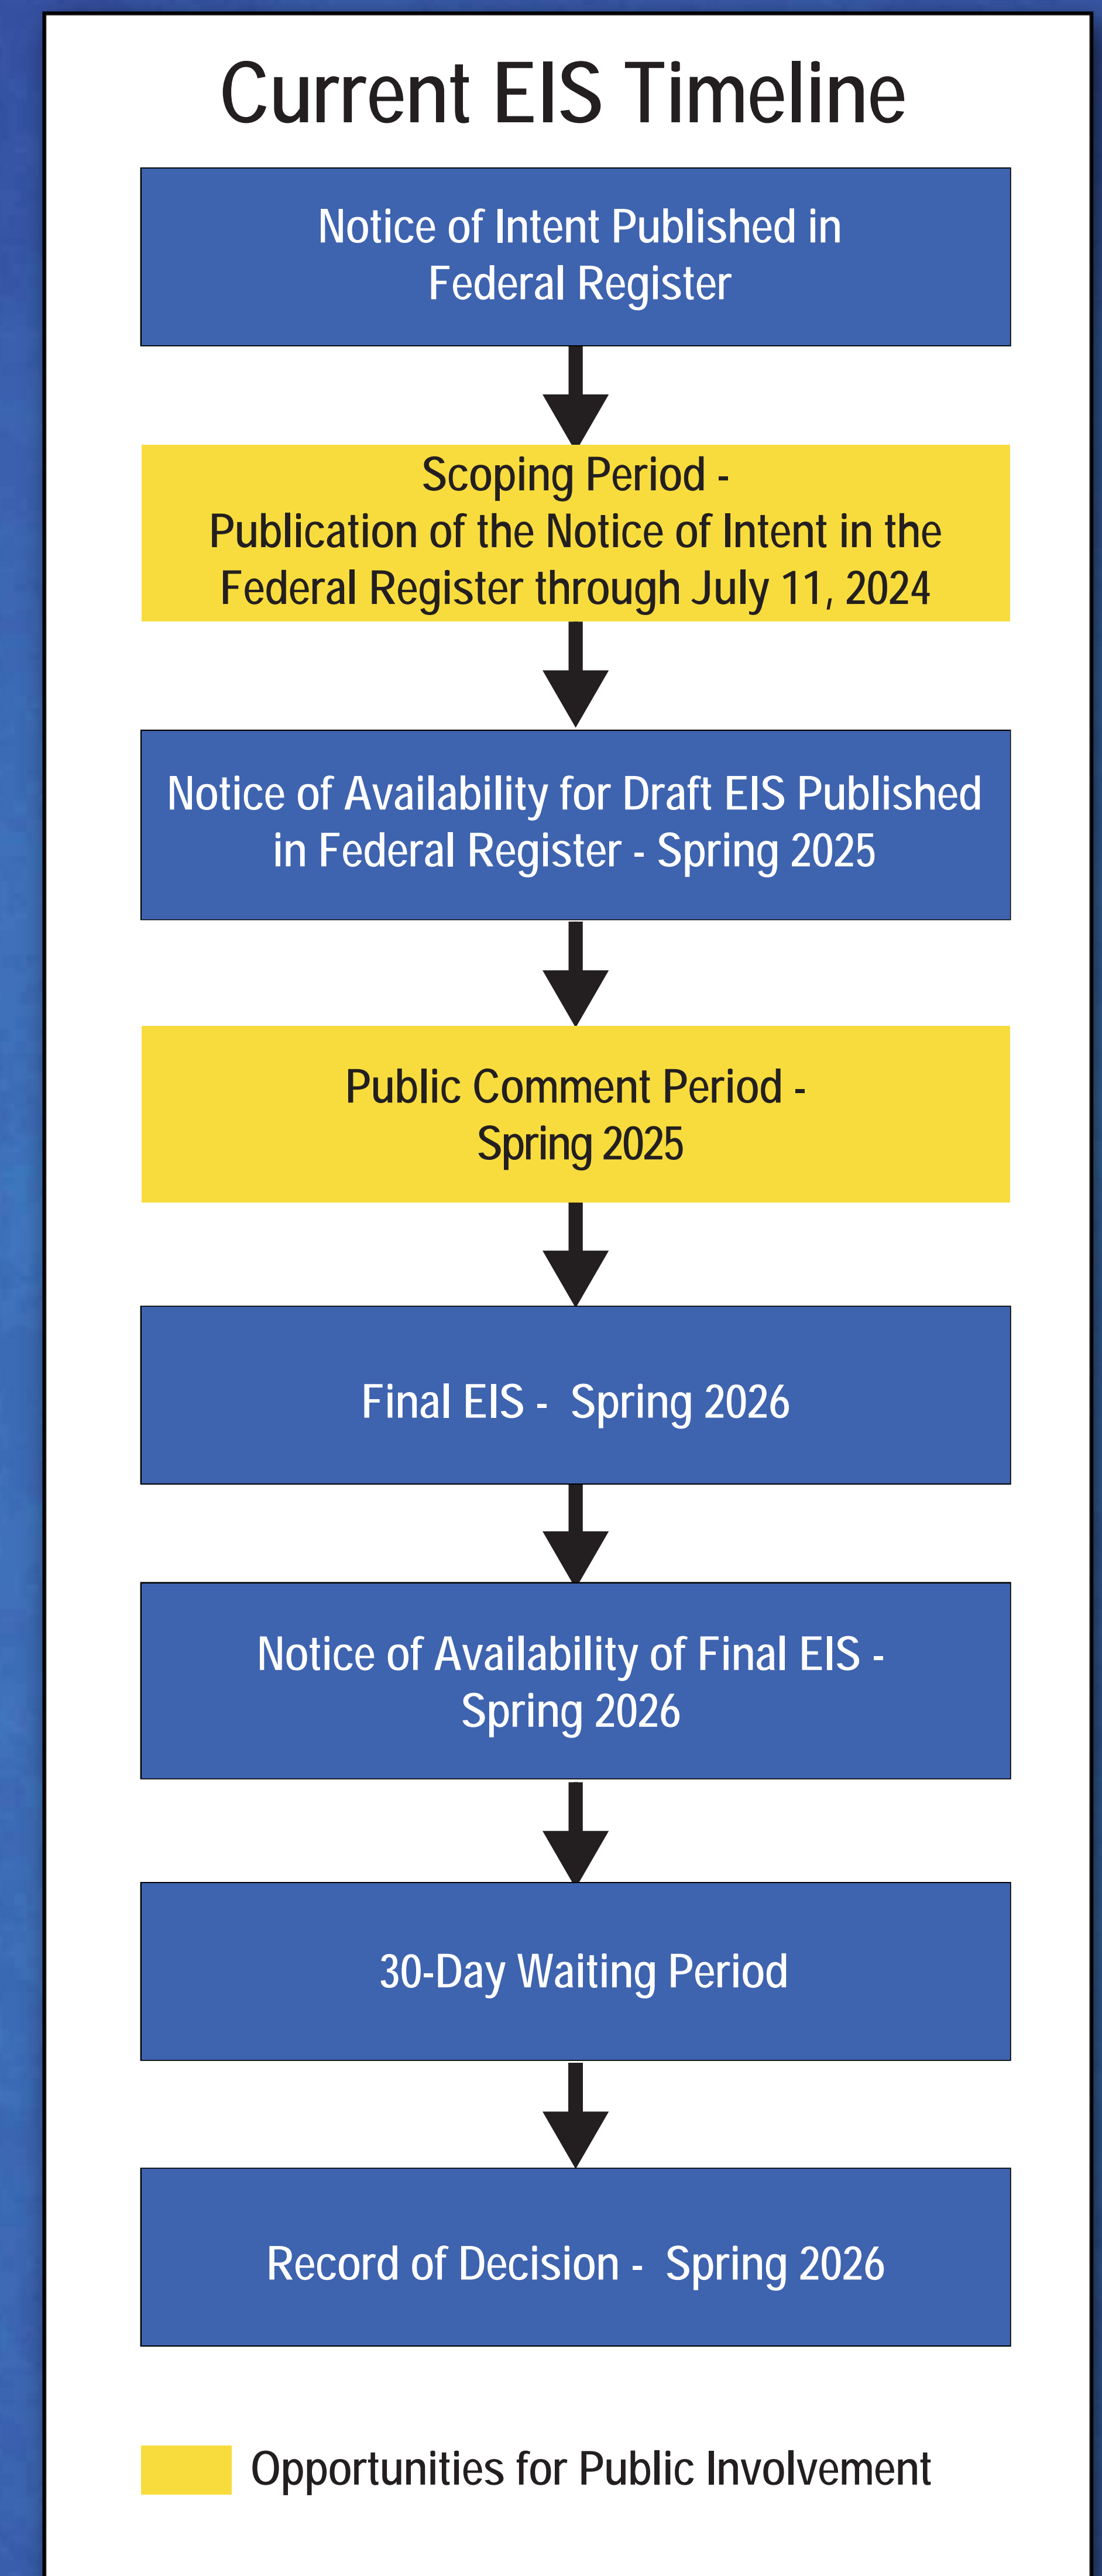

- Consider the environmental impacts of proposed projects.
- Get early public input on resources and alternatives to be evaluated.

The National Guard Bureau (NGB) is preparing a detailed study that will analyze the potential environmental consequences of this proposal. The anticipated schedule of this process is shown in the timeline.

Community Involvement

Opportunities for formal public participation in the EIS process occur during two stages:

1. During the scoping period, following publication of the Notice of Intent.
2. During the public comment period following publication of the Draft EIS.

NGB values and welcomes your input.

Public participation helps the NGB make informed decisions. Thank you for your participation.
